Barrington Packaging Systems Group

Integrating Packaging Equipment & Materials

BPS-820 Complete Automated VFFS Packaging System

A Complete Bagging Line, Customized for Your Product

Vibratory In-feed Hopper
Steady, even product flow for accurate weights.

Z-Bucket Elevator Conveyor
Gentle lift, so fragile products arrive whole.

Heavy Duty Stainless Steel Stand
Rigid support for precise weighing and safe service access.

10 Head Combination Scale
Hits your target weight with minimal giveaway.
(Optional dimpled finish: for sticky products release and easy washdown.)

BPS-820 VFFS Bagger
Forms, fills and seals bags from lower-cost rollstock.

QRC Quick Release Exit Conveyor
Clears finished bags fast. Belt comes off without tools.

Rotating Sorting and Packing Table
One operator can inspect and pack without stopping the line.

BARRINGTON WARRANTY 2 YEARS PARTS & LABOR PACKAGING SYSTEMS GROUP

The Barrington Advantage

In an industry where the quote is only the starting point, upcharges, upsells and add-on orders are routine. The Barrington Advantage breaks that pattern. Every machine we sell includes a two-year parts and labor warranty. No extended-coverage upsell. No surprise labor invoice when something needs fixing. Just coverage, built in.
