BPS-T100 Case Sealer

The Barrington Warranty covers all parts and labor for a full two-year period.

The BPS T-100 Case Sealer is a side belt drive sealer that provides a smooth taping application. Standard features include a roller top in feed and exit table, locking casters and top squeezers to keep your case square as it enters the taping area.

All of these standard options and an affordable price make the BPS T-100 a fully featured, value priced carton sealer. This remarkable carton sealer comes with a 3" tape cartridge but you can run standard 2 inch x 1500 yd packing tape with out any new adjustments.
